## On the day of presentation

For Online Presenters

1. Connect to the correct conference room using Webex by clicking the session links provided at the ECTI-CON2022 website or use the information given below. **You should join the session at least 10 minutes before the session starts.**

2. If you have Webex Application installed on your computer, you can choose **"Lauch Meeting"** to open Webex. Or you can choose to **"Join from your browser"** instead.

3. You will be asked to enter your name and email. Presenter's name in the session should be "Presenter_xxxx_YourName". X is the Paper ID of your presentation.

3. If you enter the meeting before the host starts the session, you will be ask to wait until the host allows.

4. Once start, the chairperson will introduce the presenter and the session host will play the recorded video for presentation. There will be 3 minutes for question time slot for each paper. The chairperson will authorize the presenter to share audio during your question time slot. The presenters can interact with all attendees at any other time through either the session chat room or private messages.
